**CHARTERED ACCOUNTANTS**  
**INDEPENDENT AUDITOR'S REPORT**

**To the Members of**  
**Sulakshana Securities Limited**

**Report on the Audit of Financial Statements**

**Opinion**

1. We have audited the accompanying financial statements of Sulakshana Securities Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2020, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended on that date, and a summary of significant accounting policies and other explanatory information (together referred to as 'the financial statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements

**Information Other than the financial statements and Auditor's Report Thereon**

4. The Company's Board of Directors is responsible for the preparation of other information. The other information obtained at the date of this auditor's report is Director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

6. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

7. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.
8. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with this report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2020 taken on record by the Board of Directors, none of the directors are disqualified as on 31<sup>st</sup> March 2020, from being appointed as a director in terms of Section 164(2) of the Act;

- (f) With respect to adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report given in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note no. 24 to the financial statements.
- (ii) The Company does not have any long-term contracts including derivative contracts and hence the question of making any provision, as required under any law or accounting standards, for material foreseeable losses does not arise.
- (iii) There are no amounts which were required to be transferred to the Investor Education and Protection Fund.

## **Sulakshana Securities Limited**

### **Annexure – B to the Independent Auditors' Report for the year ended 31<sup>st</sup> March, 2020**

[Referred to in paragraph 8f under the heading "Report on other legal and regulatory requirements" of our report of even date]

### **Report on the Internal Financial Controls under section 143(3)(i) of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of Sulakshana Securities Limited ("the Company"), as of 31st March, 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note"), issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statement. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Sulakshana Securities Limited**

### **Notes forming part of financial statements for the year ended 31 March 2020**

#### **1. SIGNIFICANT ACCOUNTING POLICIES**

This note provides a list of the significant accounting policies adopted by the Company in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **(A) Basis of preparation**

###### **(i) Compliance with Indian Accounting Standards (Ind AS)**

The financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016] and the Companies (Indian Accounting Standards) Rules, 2018 and other relevant provisions of the Act.

###### **(ii) Historical Cost Convention**

The financial statements have been prepared on the historical cost basis except for certain financial instruments, financial assets and liabilities.

###### **(iii) Current and non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act, 2013.

###### **(iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

##### **(B) Revenue recognition**

Revenue from contracts with customers is recognised when control of the services is transferred to the customer at an amount that reflects the consideration entitled in exchange for those services.

###### **(i) Interest Income**

Interest Income from a Financial Assets is recognised using effective interest rate method.

##### **(C) Leases**

Lease income from operating leases where the Company is a lessor is recognised as an income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

##### **(D) Income taxes**

## **Sulakshana Securities Limited**

### **Notes forming part of financial statements for the year ended 31 March 2020**

(i) The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Tax expenses comprises of current tax and deferred tax.

#### **(ii) Current Tax**

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

#### **(iii) Deferred Tax**

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the balance sheet date. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as deferred tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent it is probable that future taxable profit will be available against which these tax credit can be utilised. Such an asset is reviewed at each Balance Sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity. In this case, the tax is also recognised in Other Comprehensive Income or directly in equity, respectively.

#### **(E) Investment property**

All items of property are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

## **Sulakshana Securities Limited**

### **Notes forming part of financial statements for the year ended 31 March 2020**

Property which is not ready for the intended use on the date of the Balance Sheet is disclosed as "Capital work-in-progress".

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate at the end of each reporting period.

#### **(F) Impairment of assets**

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/external factors. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets, is considered as a cash generating unit. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset/cash generating unit exceeds its recoverable amount. The recoverable amount of the assets/ cash generating unit is fair value less costs of disposal or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

#### **(G) Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### **(H) Borrowing Cost**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are charged to revenue.

#### **(I) Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## **Sulakshana Securities Limited**

### **Notes forming part of financial statements for the year ended 31 March 2020**

#### **(J) Provisions and contingencies**

Provisions are recognized when there is a present obligation (legal and constructive) as a result of a past event, it is probable that cash outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate can be made of the amount of the obligation. When a provision is measured using cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the ability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. A Contingent asset is disclosed, where an inflow of economic benefits is probable.

#### **(K) Critical estimates and judgements**

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Useful lives of property (refer note 1(E) )
- (b) Impairment loss on investments carried at cost (refer note 1(F) )
- (c) Estimation of provisions and contingent liabilities (refer note 1(J) )

– Other financial liabilities	159.99	159.99
<u>Measured at fair value through profit and loss (FVTPL)</u>	-	-

At the end of the reporting period, there are no significant concentrations of credit risk for financial assets measured at FVTPL. The carrying amount reflected above represents the Company's maximum exposure to credit risk for such financial assets.

**21.3 Financial risk management objectives**

Company has limited type of financial instruments and therefore is not exposed much to the risks attached to the financial instruments. The Company's management monitors and manages the financial risks relating to the financial instruments. Company is exposed to market risk, credit risk and liquidity risk.

**21.4 Market Risks**

Company does not deal in transaction in currency other than its functional currency therefore it is not exposed to foreign currency exchange risk. Similarly, Company does not have exposures to interest bearing securities.

**21.5 Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Company does not have any trade receivable and therefore credit risk exposure is minimum. For Company, credit risk arises from balances with banks and financial institutions. As at balance sheet date, the Company does not have significant concentration of credit risk. The credit risk on liquid funds/ balances with banks is limited because the counterparties are banks or financial institutions with high credit-ratings assigned by credit-rating agencies.

**Notes to the financial statements**

**21.6 Liquidity risk**

Company has an interest free loan from its parent company. The loan has been granted as a support to the Company under the Order of Board of Industrial and Financial Reconstruction when the Company was established. There is an agreed repayment schedule for the loan.

**Liquidity risk tables**

The following table details the Company's remaining contractual maturity for its financial liabilities (non-derivative and derivative) with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows, if any. Maturity profile of interest free loan is derived based on the expectation.

**Fair Value Measurement and related disclosures**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets measured at fair value - recurring fair value measurements	Level 1	Level 2	Level 3	Total
<b>Financial assets</b>				
Investments in mutual funds				
As at March 31, 2020	130.05			130.05
As at March 31, 2019	90.44			90.44

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**Fair value of Financial assets and liabilities measured at amortised cost**

Management of the Company consider that the carrying amounts of financial assets and financial liabilities recognised in the balance sheet approximate their fair values.

### **Notes forming part of financial statements for the year ended 31 March 2020**

- 25.a The Board for Industrial & Financial Reconstruction (BIFR) had declared Mafatlal Industries Limited (MIL), a sick industrial undertaking, within the meaning of section 3(1)(o) of the Sick Industrial Companies (Special Provisions) Act, 1985 ('the Act') on 19<sup>th</sup> September, 2000, and sanctioned a scheme for its rehabilitation ("SS") on 30<sup>th</sup> October, 2002, issued on 15<sup>th</sup> November, 2002.
- b. In this SS, the Company was identified as a 'special purpose vehicle' into which the Real Estate and Investment Business of MIL was demerged for settlement of MIL's secured term lenders at the values determined in the SS. Against this demerger, the shareholders of MIL were to be issued one equity share of Rs. 10/- each fully paid-up in the Company for every 500 shares of Rs. 100/- each fully paid-up held in MIL as consideration for the demerger, aggregating to Rs. 100,000/-. Accordingly, assets valued as per SS of Rs. 14,905.59 lacs along with settled values of secured term liabilities of the like amount had been transferred to the Company on the Appointed Date (1<sup>st</sup> April, 2002) and effect given in the accounts in the relevant year.
- c. In respect of other settled values of secured term liabilities of MIL transferred to the Company settlement had been reached in the previous years.

For paying off settlement amounts, monies have been borrowed from Navin Fluorine International Limited ("NFIL"). In terms of the SS, NFIL has residuary rights on the assets of Sulakshana Securities Limited as available to a guarantor under section 140 and 141 of Indian Contract Act, 1872 for all payments made by it towards such repayment of dues.

- d. The net worth of MIL has turned positive and consequently it has been deregistered from BIFR.
26. As mentioned in note 25 above, the Company has been identified as a 'special purpose vehicle' in the process of implementation of the SS of MIL. Therefore, though the accumulated losses have exceeded its shareholders' funds (excluding deemed contribution from parent) as at 31<sup>st</sup> March, 2020, the accounts of the Company have been prepared on a going concern basis. Further, the Company has continued support of the holding company. The market value of the immovable property is much higher than the cost and long term rent agreement has been entered into.

### **Notes forming part of financial statements for the year ended 31 March 2020**

27. Before transfer of assets to the Company by Mafatlal Industries Limited (MIL) pursuant to its sanctioned scheme of rehabilitation, MIL had initiated steps for revision in rent/recovery of expenses and filed legal proceedings for eviction of some of its tenants/ (now) ex-tenants who were occupying at that time some of the premises in its building at Nariman Point, Mumbai. Pending resolution of those legal cases, rent of Rs. Nil, previous year, Rs. Nil, (aggregate to date, Rs. 66.43 lacs, as at 31<sup>st</sup> March, 2019, Rs.66.43 lacs) and recovery of expenses, of Rs. Nil, previous year, Rs. Nil (aggregate to date, Rs. 42.40 lacs, as at 31<sup>st</sup> March, 2019 Rs. 42.40 lacs), have not been accounted, on legal advice. The ex-tenants have filed Civil Revision Application and secured a stay from the Hon'ble Bombay High Court in April 2013 against the Order of the appeal bench of Hon'ble Small Causes Court awarding an increased amount to the Company. During the year 2014-15, pursuant to the directions of the Hon'ble Bombay High Court and the Undertakings provided by the Company, the Company received Rs. 655.58 lacs deposited by the ex-tenants, which is subject to final disposal of the matter. The Company is liable to refund the amount if the final decision goes against the Company. Pending final decision on the matter, the aforesaid amount has been kept in Term deposit account and the interest thereon is not considered as an Income.
